

Email to pastors dated 11/11/11

Dear Pastors,

A few weeks ago you received information concerning On Mission Celebration. Part of this information included a request for you to select your local Church On Mission Celebration Team. You also received a form listing the various Team positions that needed to be filled.

We asked you to report this information to the Association Office by Monday, November 14th. As of today, only THREE churches have reported. I am quite sure that many of you have selected your Team and plan to report this to us on Monday. However, if you have not done this yet, PLEASE select/appoint your Team this Sunday and get this information to us. This is critical to the overall success of our On Mission Celebration. A key component of this is your Church Transportation Coordinator. Failing to select this person will result in a chain reaction that will affect not only your church but several others as well.

A successful On Mission Celebration depends on *cooperation* and *coordination* of every participating church. This requires a local church OMC Team which has been properly trained. This training is scheduled for **Tuesday, November 29th from 7:00 – 8:15 P.M. at Highland Baptist Church.**

Pastors we are asking that you be the Coordinator for your local church. Why, because **YOU** are the **KEY** to success in your church and the pastors of this Association are the **KEY** to success in the Association, as a whole. We must have your support and cooperation. We cannot do this without it.

If you have ANY questions please give me a call at the Office (755-3188) or over the weekend at home (755-8454). You may also go to our website, www.cba-online.org and click on OMC 2012. There you will find complete information and forms which can be downloaded from your computer.

Thanks,

Bro. Larry
